## **Sen. McManus seeks nominations for Student of the Month program**

**LANSING** — State Senator Michelle McManus, R-Lake Leelanau, invites schools in the 35<sup>th</sup> District to nominate students for her Student of the Month program.

“This program allows me to recognize everything from academic achievements to students helping out their classmates on a day to day basis,” McManus said. “I look forward to every opportunity I have to visit schools and hand out the tributes in person.”

The Student of the Month program asks teachers and administrators to identify students in their schools who have had outstanding achievements in the past month. The program has received an enthusiastic response from area schools.

The program is coordinated through McManus’ district office in Cadillac. To submit names of students, send information to the address below or fax to the Lansing office at 517-373-0741.
